Laura, can we accept signed/scanned signatures followed-up by originals? Tim Watkins (our Acting Lab Director) is on travel. Im sure we can track him down but mailing back and forth will take a while. It'd be great if we could have Tim sign then scan to Yehuda and Travis.

OK! We need to get this signed by the NERL Director and get it to their attorney, Travis Lucas, ASAP.

Here are the latest versions I have – dated Nov. 15. If updates to the SOW have been made since Nov. 15, please make sure I see that version before it goes to signature. I promise an immediate turn around.

Here is Travis Lucas' contact info:
